Re: United States v. Maggio, et al.
Criminal No. 04-10231-MLW

Dear Counsel:

Counsel have been invited to review materials in possession of the Government in this case. Certain counsel have availed themselves of the opportunity and have requested copies of materials selected by counsel.

At the time co-defendant Peter Maggio was arrested on December 15, 2000, in connection with another case, there was a computer in Maggio's vehicle which was impounded pursuant to the arrest. The Government is making an attempt to copy the hard drive from that computer, and will make a copy available to the defense if that is accomplished.

Very truly yours,

MICHAEL J. SULLIVAN
United States Attorney
